I just want to say that I'm really impressed with the quality of the Kol Tzedek program. I learned so much and I look forward to catching up on all of [the programs]. Each breakout session that I was in was a catalyst to thought. There is so much to do!

Sulam for Presidents was all so useful... Certainly the focus on running an effective Board and improving member engagement was timely and helpful. The simple sharing of experiences/hopes/challenges with other Presidents-Elect was worth the 'price of admission.'
