EDUCATION DIRECTOR PLACEMENT APPLICATION

USCJ and the Jewish Educators Assembly can help you in your search for your next congregational education director. Please print and complete the below form to be connected to applicants and return to USCJ Director of Learning Enrichment Ed Frim at frim@uscj.org.

IMPORTANT NOTE: In referring potential candidates to schools and/or synagogues, we do not make reference checks or qualitative judgments regarding the candidate’s professional experience.

Recommendations for best results:

- Notify each candidate immediately upon receiving a resume and application to acknowledge receipt
- Each resume should be read carefully by at least two people on the search team
- Verify personal information, degrees awarded, previous professional performance, background, criminal, drug and child abuse checks, which are standard employment practice in most states
- If you are hiring a candidate who is finishing a degree program, ask to receive confirmation -- either a copy of the degree or a transcript -- that states that all requirements have been completed
- If you are not interested in a candidate, respond immediately by email and/or letter so the candidate can apply elsewhere

Please notify USCJ immediately when the position has been filled so that we can remove the posting from the placement listing.
