Welcome to USY Summer Experience — life-changing world travel for Jewish teens

For almost 60 years, USY has provided Jewish teens with transformative summer travel experiences, opening their eyes to new places, different ways of life and some of the world’s most spectacular sights.

Now it’s your teen’s turn to have the travel adventure of a lifetime in the U.S., Canada, Israel, Europe or the Dominican Republic.

With USY summer travel, your teen will:

• Gain independence and a better sense of self, taking on new responsibilities from managing money to doing laundry
• Form lifelong bonds of friendship with teens from across North America
• Be immersed in other cultures and see the world from a different perspective
• Develop a deeper understanding of global issues and conflicts
• Repair the world in local communities through volunteer work and service
• Discover the joy of Jewish living through fun, meaningful experiences that create a lasting impact

Scholarships are available, so don’t let money stop you. See page 8 for more information.

It was a transformative opportunity for me to explore and nurture my Jewish identity while making friends and memories to last a lifetime.
